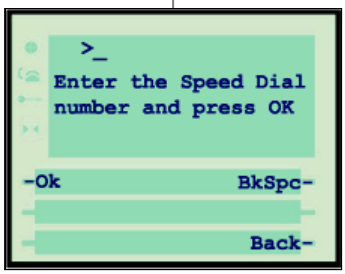
Line: Connect to calls held at a line in the system.
Ext: Connect to calls held at another extension.

Speed Dialing



Contact someone on your system speed dial list quickly and easily! Simply enter the speed dial number and press Ok.

PT480 Screen Phone Features

Easy as a touch of a softkey

Customized Programming: A user-friendly menu guides you effortlessly through the powerful system features of the **Avaya Partner**.

Headset compatible: Choose how to make and receive calls, either by headset only or by a one-touch toggle between headset/hands free speakerphone. The headset port works with 2.5mm jack headsets.

Security numbers feature:
Prevents selected numbers (e.g. voicemail password, credit card number, etc.) from appearing on the display screen when dialed or redialed.

Live Dialpad option:
You can now save time by not having to press the "Dial" softkey when you make a hands free call. In this new option, the phone dials the number instantly as you press the number pads.

More Features:

- Caller ID Display up to 100-name and number memory
- Speakerphone with Mute
- 200-name and number Directory
- Large eight-line backlit display with six display keys
- Ten-number redial
- Multi-function FSK indicator light (incoming call, extension-in-use, message waiting*, and Hold)
- Copy key for saving Callers List information to the Directory
- Options key
- On-hook dialing
- Goodbye/Release key
- Current date and time display
- Contrast control for display window
- Ringer and receiver volume controls
- Desk or wall mount
- English language display prompts
- Hearing aid compatible (ADA compliant).
- One-year warranty
